Previous Report No.:			

EXECUTIVE SUMMARY:

The submitted sample(s) were evaluated for Claim Verification.

The sample received a **PASS** rating for the following claim(s):

Removal of Light Bugs, Dust, Water Spots and Road Film – Various surfaces of the exterior of a car were sprayed with the sample and wiped with a clean micro fiber cloth. The sample effectively removed small bugs, dust, water spots and road film from a clear coat finish, chrome, glass, mirrors and dash boards.

No Residue or Build Up – Various surfaces of the exterior of a car were sprayed with the sample and wiped with a clean micro fiber cloth. Neither a residue nor a build-up of the sprayed sample was detected on the clear coat finish, chrome, glass, mirrors or dash board.

Safe to Use on Clear Coat Finishes, Chrome, Glass, Mirrors, Dash Boards, Leather – No adverse effects were observed on clear coat finishes, chrome, glass, mirrors and dash boards.

Revision 2 – Change streaking results to a PASS after further evaluation.
